Own Every Day

This season, Cambridge balances elegance with reliability to embody refined practicality. Office-ready suiting in superfine wool is expertly crafted to give your daily routine a shot of self assurance. Strong rich hues of blue, steel grey and teal are complemented by shirts in finely woven textures, stripes and checks.

Cut from easy care fabric, a contemporary fit and structured collar sits smartly under the perfect width of our notched lapels. Entrepreneurs have every opportunity to showcase their talents thanks to our sophisticated collection of paisley and herringbone ties.

Add an extra hint of polish with a silk pocket square in a classic micro print. Delivering go-to options for every occasion, two button blazers in window pane checks and navy pair with tailored chinos in mulberry, sand and khaki.

And no man should be without our versatile black suit. With a clean modern silhouette, it works just as well over a crew neck knit as it does with a white shirt and bow tie.
